The undersigned parents or guardians (the "Parents") agree as follows:

1. **Refund Policy.** Deposits and program fees are refundable only in accordance with School's written refund policy and are otherwise non-refundable under any and all circumstances and cannot be transferred to another session or another student. 3. **Media Release.** The Parents hereby grant to the School and its affiliates (and collectively with their successors and assignees "Spring") the right, without limitations or reservations, to record and use Student's image, voice, and work (art, recorded, written, or other), ("Student Media Information") in whole or in part, in photographs, video, film, audio, digital media, and in any other form of electronic or print medium, and waive the right to inspect or approve where Student Media Information appears. ANY RESTRICTIONS THAT PARENTS WISH TO PLACE ON SUCH USE MUST BE DELIVERED IN WRITING TO THE SCHOOL. Further, the Parents release Spring from and indemnify it against any and all claims, damages, demands, costs, expenses, and liabilities whatsoever in connection with the above.

Parents are also aware that harm from these activities can result from non-negligent or even negligent acts or omissions by School, its employees and agents, other students, or third parties over whom the School has no control. As part of this agreement, Parents acknowledge that all such risks exist and that they have voluntarily allowed Student to attend the summer program knowing of these risks and all of their possible

consequences. Parents acknowledge further that injury, death, or damage may occur even when School personnel and others have exercised due and reasonable care in relation to your child. Parents hereby voluntarily assume and accept any and all risk of injury, death, and damage while Student is participating in the summer program.

The Parents hereby grant permission for Student to participate in the summer program. Parents hereby waive any and all claims for damages that may result from attending the summer program and engaging in summer program activities, and release the School from, and indemnify it against any and all such claims.

Parents certify they have carefully read this agreement and fully understand its content. Further, Parents certify they are aware this is release of liability, and a contract between Parents and the School, and are signing it of their own free will.

7. **Responsibility for Your Child's Actions.** Parents must inform School personnel directly (and not through the Student) in the event there is a program activity in which they do not want your child to participate. In the event that your child causes any harm or damage to another student, School personnel, or property, Parents will be fully responsible for such harm or damage, including being responsible for indemnifying School and its personnel should they be required to defend themselves in connection with any resulting lawsuit or claim.

In order to use the Online Services, students must often be registered in these systems using personally identifying information – generally their name, School email address, and/or a student ID. When using the Online Service, School faculty, staff, administrators, and other employees or agents may communicate with students electronically through e-mail, instant messaging services through the various Online Services, or through videoconference. By signing this Agreement, Parents consent to the Student's participation in Online Services and provide permission for School personnel to communicate with themselves and the Student via electronic communications. Parents further authorize the School to provide consent for the Student's use of the Online Services on Parents' behalf and to provide the Student's basic information to the Online Services when required to do so.
