Elementary Summer Activities 1st through 6th Grade

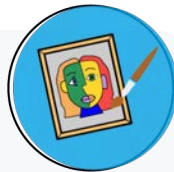

This summer will be a fun adventure for your child as they discover a new passion or deepen a lasting one. Elementary Summer Camp at LePort Montessori provides children the opportunity to explore, discover, learn new skills, and make new friends. This summer LePort will host a traditional elementary summer camp with outstanding counselors,

whose talent, creativity, and leadership set the tone for an unforgettable experience. Your child will reach for new heights and expand their horizons and interest with multiple activity blocks throughout the day.

Each week your child will have an opportunity to explore the following summer camp activities:

Visual Arts

Campers will push boundaries of perception through a variety of art projects that are meant to heighten skills and inspire creativity.

Athletic Edge

Campers of all skill levels will have fun learning about various sports while honing their athletic abilities. From foursquare to dodgeball, there is something for everyone to try.

Grace and Courtesy

Campers will pay it forward as they help others in need by planning a community service event from brainstorm to implementation.

Color Games

Our daily pep rally is a time for campers to gather for songs and challenges that promote collaboration.

Time to create.

Time to shine.

Extreme STEAM

Campers will work together to solve problems, while learning the fascinating fields of science, technology, engineering, art, and math.

It's a Puzzle

Campers will work together to complete various puzzles by analyzing clues and brainstorming solutions.

Lights, Camera, Action

There will be plenty of opportunities to be in the spotlight as campers develop creativity and confidence through singing, dancing, acting, and more.

Building in 3D

Campers will be challenged to put their engineering skills to the test as they plan and build 3D objects using Legos, clay, balloons, and more.

Domino

Campers will practice engineering and problem-solving skills as they use dominoes to assemble complex, mini obstacle courses.

In-house Presentations

Campers will be entertained and educated through various in-house presentations. Details to follow.
